Now Available – CDBG-PS Summer Youth Programs Application

CDBG-PS Summer Youth Program applications are open until May 16.

The City of Jersey City is accepting applications for a targeted Community Development Block Grant–Public Services (CDBG-PS) Summer Youth Program. The purpose of this Request for Proposals (RFP) is to obtain proposals from nonprofit entities interested in participating in the City's CDBG-PS program to provide eligible activities as noted below.

Approximately \$100,000.00 is available for youth programs that will have a measurable impact on youth during the summer months.

The City will target this funding for the following eligible activities:

Summer Youth Recreation — Projects that involve low-income youth in summer recreational activities (i.e. summer camp, soccer, basketball, dance and music programs) that will expose youth to experiences that expand beyond the horizons of urban youth, including scholarships for eligible youth. Recreation activities are for programs not currently funded by the City.

Youth Development Program — Projects that provide academic enrichment, work and career training and support, including Science, Technology, Engineering, Arts & Mathematics (STEAM) educational programs, and activities that enable young people to develop communication and interpersonal skills. Projects that demonstrate strong collaborations with educational and cultural assets.

Request for Proposal applications may be obtained from the following link:
